

Sebastien Gendry

TRAINER • CONSULTANT • SPEAKER

Sebastien Gendry is a leading American laughterpreneur, expert in wellness and well-being. He played a major role in introducing Laughter Yoga in North America and other countries in the mid-2000s and is the creator of the Laughter Wellness method, now practiced in 42 countries and counting. He has traveled over one million miles offering a variety of laughter and empowerment programs to 1,000s of people on four continents. He is fluent in English, Spanish and French.

Style

Sebastien encapsulates and shares the power of positive and playful energy and creativity. His authentic and engaging style motivates and empowers audiences with practical tools they can use to better their health and quality of life. This is so much more than being “not sick.”
